Graphic Designer Position

Dear Mrs. Roxon,

I am writing in response to the GraphicDesigner position as seen in The Advertiser on Saturday, May 5, 2002.

I have a degree in Graphic Design with two years experience at Brussels leading Graphic Design consultancy. I also have experience in working in a team of different persons and characters.

I am very passionate about all aspects of design and believe I have a unique blend of skills and qualities which make me ideal for this position.

Please find attached my Curriculum Vitae. If you require any further information I can be contacted directly on +32/80/555 555, otherwise I look forward to your soon reply.

Yours Sincerely,

Samuel HEINEN
